Dear Simon

I am writing to say a HUGE thank you for everything you have done for Hatty and Dempsey so far this season.

As you know, Hatty was really keen to event this season and move up to Novice level, but we were stuck! She ended the 2012 season more or less in the same place as she started, having competed in x13 BE100 events.

Hatty's ambition this year was to try to get to Western Park and ride in the ONU18's team for the Central region, in October 2013.

Hatty needed one good consistent trainer and Dempsey needed his flat work to be established correctly.

She needed a plan for this year – to improve performance this season and compete at Novice level.

We have no facilities at home beyond a few xcountry and sj jumps in our fields and hacking.

We asked you to teach her and her horse in January 2013.....

Hatty had an email last week confirming that she is 1st reserve for the Central Novice team and is going to Weston Park International on 10-13 October, 2013.

THANK YOU. What a fantastic result!

Hatty very much looks forward to continuing her training with you over the summer and learning how to move up to 1* and intermediate!

Kindest regards
